The background of the image is a light cream color, overlaid with a series of thin, flowing, wavy lines in a muted sage green. These lines create a sense of movement and depth, resembling a stylized topographical map or perhaps the ripples on a pond. The lines are more densely packed on the left side and become more sparse towards the right. In the top-left and bottom-left corners, there are small, faint, dark green L-shaped corner brackets, suggesting a design element or a page indicator.
